

Clinical Laboratory Test Update

Sickle Cell Testing to ARUP

Effective 07/21/2025, Sickle Cell testing will transition from Children's Hospital of Colorado Laboratory to ARUP Laboratories.

Preference Lists will automatically route to ARUP. If manual ordering is required, please use LAB6145 Hemoglobin S, Sickle Solubility to avoid delays in testing.

Please call the UCHealth Memorial Hospital Sendout Department at 719.365.2626 if you have any questions or visit our test catalog at [UCHealth South Region Laboratory Test Directory | Tests](#) for additional information.
