

Memorial Hospital Central - Clinical Laboratory Customized Laboratory Testing Profiles/Panels

This list describes the customized panels offered by Memorial Hospital-Central Clinical Laboratory and the associated CPT Codes that will be billed. Using a customized panel may result in the ordering of tests which are not covered, reasonable, or necessary, and therefore will not be reimbursed by Medicare and other payors. Panels will only be paid when all components are medically necessary. Individuals knowingly submitting false claims may be subject to sanctions available under civil, criminal and administrative law.
