

Tacrolimus and Cyclosporin Testing Now Performed at Reference Lab

January 17, 2024

By: Jenny Clow, Lab Manager and Andrew Judd, MD, Laboratory Medical Director

Tacrolimus and Cyclosporin are temporarily being sent to the reference lab ARUP. The Salem Health Lab is planning to bring testing back in house in the next 2-3 months. When an order is placed for these tests, lab staff cancel the order and place a Miscellaneous ARUP order. Results will be found under the Miscellaneous order as a result comment. The turnaround time is 2-3 days.

Summary of Changes

Order Details	Order as normal. Lab staff will cancel the order and place a Miscellaneous ARUP order
Viewing Results	View under the Miscellaneous order as a result comment
Turnaround Time	2-3 days
