

## Draw Station Locations

**Provider orders are required for all specimen collections.**

### **What do I need to do to prepare for my specimen collection?**

Bring the following information with you:

- Test request form from your provider.

- Current insurance card (Medicare, Medicaid, or private insurance).

- A photo ID (i.e. Driver's license or state id).

Follow any special instructions given by your provider. If withholding food and/or beverages is not required for your test, you may wish to schedule avoid the peak hours (before 10am).

Wear appropriate clothing for the type of specimen being collected (i.e. loose fitting sleeves for blood specimens).

### **Patients can access service at several conveniently located facilities:**

Hours displayed are regular business hours; variations may occur due to holidays.
