

HOSPITAL OF THE UNIVERSITY OF PENNSYLVANIA
DIVISION OF LABORATORY MEDICINE
MICHAEL FELDMAN, M.D.,Ph.D., DIRECTOR

Reporting Location	Requesting Physician (Print)	Beeper or Ext.
Physician Team Number	Date of Collection (Required by Law)	Time of Collection (Required by Law)
Clinical Details (Including Therapy and Dx.)		
Name of Collector (Required by Law)		

Label Area

☐ Blood and Body Fluid Precautions												☐ Jakob-Creutzfeld																							
SPECIMEN TYPE												☐ Blood ☐ Amniotic Fluid ☐ Other ☐ Urine Random ☐ Urine 24 Hour												Collected: _____ To _____											
THYROID FUNCTION												GONADAL FUNCTION												TUMOR MARKERS											
T4		Thyroxide (T4) T3 Uptake FTI		1SST		TESTO		Testosterone, Total		1SST		HCGO		Chorionic Gonado- tropin Quantitave β -hCG-Non-pregnancy		1SST																			
TSH		Thyroid Stimulating Hormone		1SST		TESTF		Testosterone, Free		1 Red Top		AFPNP		Alpha-1-Fetoprotein Non-Pregnant		1SST																			
ADRENAL CORTICAL FUNCTION												NUTRITION EVALUATION												HYPERTENSION PROFILE											
CORT		Cortisol Serum		1SST		B12		Vitamin B ₁₂		1SST		CEA		Carcinoembryonic Antigen (CEA)		1SST																			
UCORT		Cortisol, Free-Urine		24 Hour Urine Boric Acid		FOL		Folic Acid		1SST		UHIAA		5-HIAA Urine		24 Hour Urine HCl Preservative																			
ACTH		Adrenocorticotropic Hormone		10 mL Lavender top Process within 15 min. of collection		UMET		Metanephrine- Urine		24 Hour Urine HCl Preservative		PSA		Prostatic Specific Antigen		1SST																			
DHEA		Dehydroepi- androsterone Sulfate		1SST		UCAT		Catecholamines, Fractionated Urine		24 Hour Urine HCl Preservative		HEPATITIS TESTS																							
HYP		17-Hydroxy- Progesterone		1SST		UVMA		VMA, Urine		24 Hour Urine HCl Preservative		HBSAG		Hepatitis B Surface Antigen		1SST																			
METRTAPONE TEST												REN												ABHBS											
METB		Baseline Cortisol, II-Deoxy		1SST		ALDOS		Aldosterone, Serum		1 Red Top		ABHBC		Antibody to Hepatitis B Surface Antigen		1SST																			
METP		Post-Drug Cortisol, II Deoxy		1SST		UALD		Aldosterone, Urine		24 Hour Urine Boric Acid		ABHBC		Antibody to Hepatitis B Core Antigen		1SST																			
PITUITARY FUNCTION												CALCIUM METABOLISM												A VIRUS											
PROL		Prolactin		1SST		PTHN		PTH - intact		1SST Process within 15 min. of collection		HAV		Antibody to Hepatitis A Virus Igm		1SST																			
FETAL / PLACENTA FUNCTION												CALN		Calcitonin		1 Red Top		OTHER																	
HCG		Chorionic Gonado- tropin Quantitative hCG-Pregnancy		1SST		VD2		Vitamin D, 25-Hydroxy		2 Red Top		HEPC		Antibody to Hepatitis C Virus		1SST																			
FLM		Fetal Lung Maturity Assesment		5-10 mL Amniotic Fluid. Transport Immediately.		VD1		Vitamin D, 1.25-Dihydroxy		1 Red Top																									
GONADAL FUNCTION												ENDOCRINOLOGY																							
E2		Estradiol		1SST		FERR																		Ferritin		1SST									
PROG		Progesterone		1SST																															
FSH		Follicle Stimulating Hormone		1SST																															
LH		Luteinizing Hormone		1SST
