

**DATE:** April 10<sup>th</sup>, 2020

**TO:** Attending Staff, House Staff, Nursing, Clinics, PRISM

**FROM:** Dr. Katharine Park, Director of Hematopathology

**SUBJECT: Coagulation Testing - INR Normal Range Change**

Effective 04/15/20 the clinical laboratory will be updating the INR normal reference range to reflect a recent change in prothrombin time (PT) reagent.

**INR: 0.8-1.1** (Previously 0.8-1.2)

Please contact Dr. Park 612-873-9153 or Andrew Merryman (Hematology Supervisor, 873-3025) with any questions regarding these changes.
