MedStat:

MedStat is a routine pick-up courier only, they are not typically to be called after normal pick-up hours.

Exception: The only time they are to be called is if there are specimens which need to be sent to UMP or ARUP over the weekend (Sat-Sun). If this is the case, you must call before 9am (Sat-Sun) and they will pick the specimens up before noon.

Procedure:

- Prepare the specimen for pick-up
- Call MedStat at (763) 586-0369
- Indicate that you are a customer of Fairview-University Diagnostic Laboratories and to which Fairview entity you want your specimen to be delivered. (University, Riverside, Southdale or Ridges) and if you have ARUP specimens
- Level of service desired: Urgent (2 hours) or Standard (4 hours)
- Address and location of pick-up, contact individuals and any special instructions
- Service is limited to metro area customers
- Other arrangements for transport can be made by contacting Fairview-University Diagnostic Laboratories Client Services (612) 273-7838
