

Holiday Shipping Schedule for Sendout Tests

Effective Date:

November 25th, 2020

Contact: Client Services

Update Description:

The Sendout Department will be closed on Thanksgiving Day, Thursday, November 26th. Most of our reference labs partners will also be closed and there are no courier/Fed Ex pickups scheduled on this day. **Please refrain from collecting time sensitive samples on November 25th- 27th.** Normal shipping activity to our referral labs resumes on Monday, November 30th.

Before collecting any sample, please call the Sendout Department at 317.491.6805 to determine shipping schedules for a particular reference lab.

Do NOT collect ImmuKnow or CMV T Cell Immunity: Tuesday-Thursday, 11/24-26.

Do NOT collect NK Function testing, TSPOT, Quantiferon or AlloMap/AlloSure testing on 11/25-26 due to shipping and sample stability constraints.

Questions:

If there are any questions on test requirements or ordering, please call IU Health Pathology Laboratory Client Services at 317.491.6000 or 800.433.0740. For any additional information regarding sendout tests, please contact Kimberly Kinney, Sendout Department Manager, at 317.491.6850 or at kjkinney@iuhealth.org.
