Patient / Insurance Billing

Legacy Laboratory Services can bill your patient and/or the insurer directly. **Please include the ICD-10 code(s), the patient's full legal name and date of birth, last four digits of the Social Security number, address, telephone number and responsible party**, if applicable, on the laboratory request form. We will bill any primary insurance carrier directly if we are provided with complete billing information. Please include the name and address of the insurance company, subscriber identification number and group number.

Medicare Billing

Legacy Laboratory Services bills Medicare directly. The patient is billed only for tests not covered by Medicare or co-insurance charges. Medicare patients will be asked to complete the Medicare Secondary Payor Survey as well as sign an Advanced Beneficiary Notice (ABN) for specified tests.

Client Billing

We can bill your clinic or facility directly on a monthly basis. The invoices are processed at the end of each month and mailed the first week of the following month. Payment is due within 30 days of receipt. Please contact your Account Service Representative if you are interested in monthly client billing.
