Legacy LabAlert

06/2021

An Important Update from Legacy Laboratory Services

As of July 02, 2021, Legacy Laboratory Services will discontinue use of the Cepheid Influenza/RSV Assay. The Cepheid SARS-CoV-2/Influenza/RSV assay will still be available and will test for the following analytes: SARS-CoV-2, Influenza A, Influenza B, and Respiratory Syncytial Virus (RSV). The approved sources are nasopharyngeal swabs placed immediately into Viral transport Media and nasal washes /aspirates submitted in a clean leak proof container. Please refer to the Legacy Laboratory Test Table for more information.

[Coronavirus SARS-CoV-2 with Influenza AB RSV](#)
