An Important Update from Legacy Laboratory Services

Patient Service Center Consolidations and Reduction in Hours of Operation

Due to staffing shortages some Legacy Patient Service Centers will have to temporarily consolidated services or modify hours of operation until new staff can be hired and trained. We will continue to send out updates as we have new information on reopening or return to normal business hours. Please review the attached list of our patient services centers for the most up to date operations information as well as alternative locations that can best serve the needs of our patients. We apologize for any inconvenience to your clinic and patients.

For additional information, please contact your account representative, client services or consult our website:
