What You Should Know

- Bring your insurance card.
- Bring a signed lab order from your health care provider.
- Your order should include:
  - Name, date of birth and Social Security number
  - Desired test(s) clearly indicated
  - A diagnosis or ICD-9 code for each test ordered
  - An authorized signature from your health care provider
- Ask your health care provider to call or fax a lab order to the lab site of your choice.
- Fasting may be required. Please verify with your health care provider.
- Medicare patients may be asked to sign an Advance Beneficiary Notice waiver accepting financial responsibility if the diagnosis provided does not cover the test(s) ordered.
- Patients with timed tests may need to be prioritized.
- Contact your health care provider for the results of your laboratory test(s).
