## Important Test Announcement

### SENDOUT TEST UPDATES

Effective February 9, 2026, the following tests will be updated:

### ETHYLENE GLYCOL TEST CODE UPDATE

**Test Code:** **XEGUQ**

The test code for Ethylene Glycol (**XEGU**) will be updated to **XEGUQ** to allow for the addition of a resulting component. Test code **XEGU** will be deactivated.

### STONE ANALYSIS UPDATE

**Test Code:**  
**XSTONE**

Stone Analysis (**XSTON**) is no longer available and will be discontinued. An equivalent test, Calculi Analysis (**XSTONE**) will replace this test. All sample collection requirements remain the same.

If you have any additional questions about **XEGUQ** or **XSTONE** testing, please refer to the [Laboratory Test Directory](#) or call Client Services at 614-722-5477.
