

New Vision Medical Laboratories-Testing Facilities

New Vision Medical Laboratories (NVML) provides laboratory services including clinical and anatomic pathology to St. Rita's Mercy Health Medical Center, Joint Township District Memorial Hospital, and Van Wert County Hospital. Each of these facilities are 24-hour, full service, computerized laboratories providing a comprehensive range of services including Coagulation, Chemistry, Hematology, Serology, Immunology, Immunochemistry, Blood Bank, Microbiology, and Toxicology. Each of the listed hospitals above offer a variety of hospital draw sites.

Hospital draw sites are billed directly through the individual hospital. Billing is not through New Vision Laboratories.

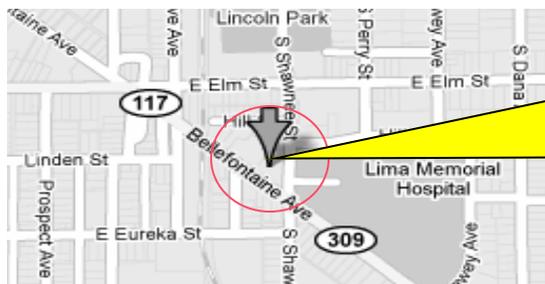

Additional testing facilities include: Mercy Health Putnam County Ambulatory Care Center, Mercy Health Delphos Ambulatory Care Center, Mercy Health Eastside and Westside Urgent Care Centers, Institute for Orthopedic Surgery, Lima and Celina Oncology. These facilities offer limited testing; additional testing is sent to NVML/ SRMC testing facility to be processed.

New Vision's laboratory services are certified by the College of American Pathologists and our staff consists of eight physicians, board-certified in pathology. Our clinical staff is comprised of medical technologists who have a BS degree in science and medical laboratory technicians who have completed an associate's degree in science. All MT and MLT personnel are certified by The American Society of Clinical Pathology or the American Society of Clinical Laboratory Scientists. Our support service staff includes phlebotomists who are board certified in phlebotomy, pathology transcriptionists, and additional clerical staff.
