

LABORATORY

LAB SERVICES

New Vision Medical Laboratories (NVML) provides full service laboratory services including clinical and anatomic pathology to St. Rita's Medical Center, Van Wert County Hospital and Joint Township. Limited service facilities include St. Rita's Putnam County Ambulatory Care Center, St. Rita's Delphos Ambulatory Care Center, and the Institute for Orthopedic Surgery.

New Vision's laboratory services are certified by the College of American Pathologists and our staff consists of six physicians, board-certified in pathology. Our clinical staff is comprised of medical technologists who have a BS degree in science and medical laboratory technicians who have completed an associate's degree. All Medical Technologists and Medical Laboratory Technicians are certified by The American Society of Clinical Pathology or the American Society of Clinical Laboratory Scientists. Our support service staff includes phlebotomists who are board certified in phlebotomy, pathology transcriptionists, and additional clerical staff.
