What to do:

- Place the appropriate order in Epic.
- Print the specimen labels.
- Perform specimen collection.
- Label specimens with the appropriate specimen label (i.e. Lav EDTA label is placed on lavender tube).
 - Ensure all slides have the patient's full name and date of birth written on each slide.
- Document collection of specimens in Epic.
- Print the order requisition, ensure the collection date and time are populated on the requisition.
- Bring the specimens and requisition to the lab in Carrington Pavilion 2nd floor room 2043.
- If any errors in collection or mismatch of specimens to requisition occur, complete the Irretrievable Specimen Attestation form located in the lab.

Operating Hours:

- Monday – Thursday:
 - Specimens must be received in the BMH lab by 3:45PM Monday-Thursday for the specimens to be sent to Weill Cornell same day. Any specimens received after 3:45PM Monday-Thursday will be held at BMH and sent to Weill Cornell the next morning.
- Friday:
 - Specimens must be received in the BMH lab by 3:00PM.
- After Hours, Weekends, and Holidays:
 - **Only approved rush cases will be sent** to Weill Cornell same day after specimen receipt cutoff time and on weekends and holidays.

Rush Cases:

- As soon as a rush case is identified, page the on-call Pathologist at Weill Cornell at **17349** or send an Epic secure message to '**WC Hemepath Path Fellow (On Call)**' to request a rush case.
- If the rush case is approved, bring the specimens and requisition to the BMH lab and alert the lab the case was approved to send to Weill Cornell.
