

**Qualitative G6PD enzyme test temporarily unavailable in-house**

**Who is this message for:**

New York-Presbyterian Hospital/Weill Cornell Medicine healthcare providers and clients.

**What is this message about and why is it important:**

**Effective immediately**, NYP/WC will not provide the in-house **Qualitative G6PD (glucose-6-phosphate dehydrogenase) enzyme test**. It will not be available until further notice due to supply chain issues.

**What do we need from you?**

The ARUP send out **Quantitative G6PD enzyme test** should be ordered instead. For testing information, collection guide and forms to be submitted for testing for the Quantitative G6PD enzyme test, please visit ARUP's laboratory test menu <https://ltd.aruplab.com/Tests/Pub/0080135>

\*Please note, If there is an emergency regarding a hemolyzing patient on rasburicase, please contact the Heme/Coag resident on call at **EPIC ROLE: WC Lab Coag/Heme Resident Consult**.

**Ordering Information for EPIC users:**

- order G6PD Enzyme, Quantitative **Lab code: LAB4901**

**Ordering information for NON-EPIC clients:**

- **Change Healthcare/EMDEON:** Glucose-6-Phosphate Dehydrogenase Quant (ARUP) **Test code: 6553294**
- If ordering using a manual requisition please write on the miscellaneous field **G6PD Quantitative**.

**For any questions, please contact:**

Please direct any questions regarding the routing changes to Sandra Aranibar-Atristain, Program Director of the Central Laboratory at [saa2074@nyp.org](mailto:saa2074@nyp.org).

Questions regarding testing methodologies may be directed to Dr. Sabrina Racine-Brzostek, Assistant Medical Director of the Central Laboratory at [srb9029@med.cornell.edu](mailto:srb9029@med.cornell.edu).

Questions regarding send out testing may be directed to the send out lab at [sendouts@nyp.org](mailto:sendouts@nyp.org) or Client Services Department at 212-746-0670.
