- If this is a <u>Certificate of Registration</u>, it represents only the enrollment of the laboratory in the CLIA program and does not indicate a Federal certification of compliance with other CLIA requirements. The laboratory is permitted to begin testing upon receipt of this certificate, but is not determined to be in compliance until a survey is successfully completed.
- If this is a <u>Certificate for Provider-Performed Microscopy Procedures</u>, it certifies the laboratory to perform only those laboratory procedures that have been specified as provider-performed microscopy procedures and, if applicable, examinations or procedures that have been approved as waived tests by the Department of Health and Human Services.
- If this is a <u>Certificate of Waiver</u>, it certifies the laboratory to perform only examinations or procedures that have been approved as waived tests by the Department of Health and Human Services.
