

Ascension

ASCENSION MICHIGAN LABORATORY SERVICES

Ascension Michigan Laboratory Services is comprised of hospital-based and outpatient service centers. As part of Ascension, we are committed to the quality, access, continuity and cost effectiveness of patient care. Our pathology staff includes physicians board certified in anatomic and clinical pathology as well as subspecialty certified in cytopathology, immunopathology, chemical pathology, transfusion medicine, clinical microbiology, hematopathology, dermatopathology, and oral pathology. Our pathology staff provides medical and technical consultations and interpretations every hour of the day, every day of the year. Our board certified and registered clinical laboratory professionals provide the knowledge and experience to help physicians manage patients' care.

Vision

By being a trusted resource in using innovative technology, Ascension Michigan Laboratory Services will partner with providers and patients to transform healthcare.
