RE: TB Gold Indeterminate Result Reporting

Beginning 3/22/2023, Preferred Lab Partners on the EDG campus will implement a reporting update regarding indeterminate TB Gold results.

Current procedure:

New procedure:

Reason for change:

Ensure appropriate documentation in Epic and enhance ability to monitor indeterminate rates

Potential impact:

Providers may perceive an increase in indeterminate results, though it will not represent an actual increase.

If you have additional questions please contact Amanda Lee, Immunology Supervisor (859) 301-7055.
