

## Laboratory Testing Update

**Date:** December 14<sup>th</sup>, 2023

**To:** SEH Providers

**RE:** New In-House CMV DNA QUANT PCR [LAB4161] Test Offered

Beginning **Tuesday, 12/19/2023**, Preferred Lab Partners on the EDG campus will begin offering CMV Quantitative PCR testing. This test will replace the ARUP Cytomegalovirus DNA Quant PCR-Ref Lab [LAB2786] test. The required specimen for this test will be a white PPT (plasma preparation tube). Testing will be performed on Monday, Wednesday, and Friday with an expected turnaround time of 1-3 days.

If you have additional questions please contact Amanda Lee, Immunology Supervisor (859) 301-7055.
