**RE: Test Name Change for Pregnancy Glucose Screen**

On 12/14/2023, the name of the current pregnancy glucose screen will be modified to better reflect the requirements of the test by indicating the 1hr collection. The test description and instructions have also been clarified.

- Current order name in EPIC- PREG GLUCOSE SCR
- New order name in EPIC- PREG GLUCOSE 1HR SCREEN

If you have additional questions please contact Jillian Waters, System Phlebotomy Manager (859) 301-7073.
