

## Semen Specimen Collection Instructions

**\*\* Testing by appointment only \*\***

### **Collection Instructions:**

1. Label container with:
  - Patient Name
  - Date of Birth
  - Collection Date and Time
2. Ejaculate into the sterile plastic cup.
3. Place the cap on the cup and twist until a click is heard.
4. Place the sample in a brown paper bag to protect it from light.
5. DO NOT refrigerate. The sample should remain as close to body temperature as possible until delivery to laboratory for accuracy in testing.
6. Specimens will only be accepted between **8am and 1:30pm Monday through Friday and by appointment only. Please call 406-447-2950 or 406-447-2970 to schedule delivery and testing.**
7. Deliver specimen to St Peter's Main Lab within 1 hour post collection for accurate results.
8. Bring any paper orders the doctor gave you.

### **St Peter's Main Lab Directions:**

1. Enter St. Peter's Hospital through Emergency Room entrance.
2. Walk straight past registration desks and through the double doors.
3. Lab is the first door on the left after the tile changes to carpet at the double doors. Look for BIO-HAZARD sign on door
4. Please ring doorbell and someone will be with you to receive your sample.

**If you have any questions, please call St Peter's Main Lab at 406-447-2950.  
Call 406-447-2950 or 406-447-2970 to schedule delivery and testing.**
