

7/22/26

Dear Providers,

Effective Wednesday 7/29/26, the Clinical Laboratory will adopt two new CRITICAL values.

- PH (CORD arterial and CORD venous) $\leq$ **7.000**
- BASE DEFICIT (CORD arterial and CORD venous) $\geq$ **16 mmol/L**

The result will be called to the provider/RN every time it is noted.

The Critical Call Policy will be updated to reflect this change.

Thank you,
