**RE: IL-6 (Interleukin-6) orders**

Dear Healthcare Provider,

**Effective Monday 6/26/23**, the laboratories at BNH and GSH will no longer perform the **IL-6** test (LAB4320) in house due to very low volume of requests. The test is still orderable, but the sample will be sent to our reference lab: ARUP. Expected turn-around time is 1-3 days depending on collection.

Inquiries can be directed to:
