RE: La Jolla CLIA Certificate exp: 3-14-2015

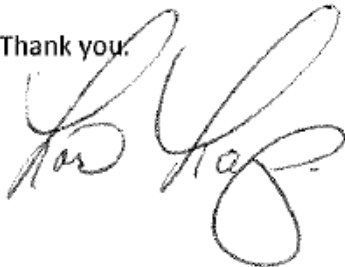

DATE: July 18, 2013

Please be advised that although the CLIA Certificate for La Jolla, 05D0869935, is a print screen (116), it is still a valid certificate. The original was unfortunately unable to be located, having been lost in the mail. The CLIA office was notified and supplied us with the 116 print screen in place of the usual certificate. The CLIA office does not do reprints.

The La Jolla Laboratory is in good standing with all our regulatory agencies, including CLIA, California Department of Public Health, and College of American Pathologists.

If you have any questions, please contact me at 858-657-5706.

Thank you.
