

Cytogenetic Laboratory STAT Weekend Point of Contact

TO: CALM PROCESSING, HILLCREST and THORNTON PROCESSING

In case there is a test sample determined "STAT " by the ordering physician, genetic counselor or provider to be routed to CALM Cytogenetics and it is outside regular business hours (**after hours, holidays or weekends**) please contact:

NAME: Cytogenetics team

PAGER: 619-290-8698

Please be aware that ALL neonatal testing ordered for Cytogenetics is considered "STAT" as well.

Point of contact (above) will follow up on cascading down information as needed.

Thanks for your cooperation.
